About the Company

Vinar Textile Mills was established in the year 1986 in Kolkata, West Bengal. We started off by manufacturing only one type of underwear and with time, our company has evolved and currently we manufacture all kinds of underwear. Since the beginning, our focus has been on quality, something we do not compromise with at all. Our products are of the highest quality and are sold primarily in semi-urban and rural market segments. We have always wanted to provide our products to the masses and hence, our products are available at very competitive prices. Our company has been growing at a very steady pace year over year as we have managed to keep our loyal customers delighted with our products and are continuing to satisfy the needs of our new customers. We can assure you that we manufacture products of the highest quality which are available at very competitive rates. Also, we look forward to build long term associations with our customers as we strongly believe that in today’s world, in order to succeed, one has to treat his customer as the king.

We sell all our products under our house brand “NOVA” which is also our registered trademark and we reserve all the rights to use the same name on our products.

Introduction to our Products

This is our selection of underwear especially for men. Our products are manufactured using 100 % refined cotton and are of the highest quality. All our products are carefully designed to meet the latest trends and fit perfectly on any body type. We make sure that our products are made from stretchable and breathable fabric which provides complete freedom of movement to our consumers and provides them with utmost comfort.

We can assure you that once you use our product, you will fall in love with quality of our fabric and with the kind of comfort it will provide to your body.
